

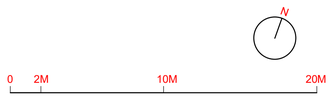
EP1 **02-00-01 - Existing Drawings - Site Plan**
1 : 200



AREAS & MEASUREMENT
Illustrated areas and measurements are approximate and can only be verified by a detailed dimensional survey of the completed building. Any decisions made on the basis of these dimensions should include due allowance for increases and decreases inherent within the design development and building processes. All areas are subject to Town Planning and Conservation Area Consent, and detailed Rights to Light analysis.

FOR ELECTRONIC DATA ISSUE
Do not scale from this drawing. Electronic Data drawings are issued as head only and should not be interrogated for measurement.

DO NOT SCALE FROM THIS DRAWING
The contractor shall check and verify all dimensions on site and report any discrepancies, errors or omissions in writing to the Client prior to proceeding work.

STRUCTURE
Any structure illustrated is indicative. For structural details consult structural Engineer's Drawings.
