Overview (#tab-overview) **Technical Specification (#tab-techspecs)**

Warm flinty chips of sandy gold, soft grey and cream give this mix a summery, beachy feel that adds lightness wherever you use it. A little paler than our autumn gold blend, it's bright in the sun and shiny in the rain. Stunning garden gravel.

- Suitable for use on driveways.
- Ideally as decorative plant pot toppers, helping to retain soil moisture.
- Can be used on flower beds and garden borders.
- Perfect for patios and pathways, or areas to be walked on.
