Assessment

Design: DM1 and P3

The application proposes the construction of a pitched roof over the existing front dormer extension. The majority of properties within the immediate area have been extended with front dormers with varying scales and design. The proposed pitched roof is considered to be an overall improvement to the visual aesthetic of the front elevation by reducing the prominence of the front dormer.

The design of the proposal is therefore acceptable and accords with policies DM1 and P3 of the adopted Rochdale Core Strategy, the SPD and the NPPF.

Recommendation: Grant subject to the following conditions

1. The development must be begun not later than three years beginning with the date of this permission.

   Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

2. This permission relates to the following plans:-

   - Location Plan
   - Existing and Proposed Block Plan – 19.2015.02
   - Existing and Proposed Elevations – 19.2015.01

   and the development shall be carried out in complete accordance with these drawings hereby approved.

   Reason: For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted Rochdale Core Strategy, the saved Rochdale Unitary Development Plan and the National Planning Policy Framework.

3. The materials used in the construction of the exterior of the development hereby permitted shall match those used in the construction of the exterior of the existing building in colour, form, type, size and texture.

   Reason: In order to ensure a satisfactory appearance in the interests of visual amenity in accordance with policies P3 and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

Article 35 Statement

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.
