For the attention of: Tom Hiles

Rochdale Metropolitan Borough Council

[By email: development.management@rochdale.gov.uk]

28 October 2025

Dear Tom Hiles

Re: 25/01061/FUL

Temporary use of existing hardstanding and utility infrastructure on land adjacent to M62 Junction 19 as a construction compound including the siting and use of office and welfare cabins and other associated development to support the construction of the M60/M62/M66 Simister Island Interchange Scheme for a temporary period of up to 5 years; Junction 19, M62, Heywood Interchange/simister Island, Rochdale

Thank you for your notification of 27 October 2025 seeking the views of the Coal Authority on the above.

The Coal Authority is a non-departmental public body sponsored by the Department for Energy Security and Net Zero. As a statutory consultee, the Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

Request for Information

To enable us to comment on this submission, please can you provide us with the following information –

There are '0' documents showing for this application on your website. Please email the relevant documents to us or formally re-consult when they are available on your website

As soon as this additional information has been received, we will review and provide you

with a formal consultation response.

We look forward to hearing from you.

Yours

The Coal Authority Planning Team
