- New lead flashing with layboard vent to provide ventilation beneath lead valley gutter.

- Renew decayed sill in hw.
Splice repair to base of mullions
in treated sw. Painted finish.

1. Any dwg format drawing is to be read in conjunction with and at the scale of the accompanying pdf.
2. Where colours other than black or grey are used, the drawing must be plotted in colour.
3. Unless 'C' (Construction) drawings all dimensions are to be checked on site by the contractor, scaling in for Local Authority purposes only.
4. Unless otherwise indicated, all dimensions are in millimeters.
5. All information on this drawing is to be read in conjunction with the relevant Donal Insaal Associates' specification and trade contractors' drawings and approved by specialists.
6. In the event of any discrepancy, please contact us immediately.
7. This drawing may contain survey information by others and is to be used solely for the purposes for which it was issued.
8. These are uncontrolled documents issued for information purposes only. If you have any queries regarding the drawings, please contact DIA immediately.
9. Please note DIA cannot be held responsible for any errors arising from changes made to an uncontrolled dwg file.
