

The existing building measured survey has been undertaken by Salford Archaeology and all reference to this information is referenced directly from the associated drawings.

Coloured areas of hatch on interior elevations indicate existing fixtures, fittings or built fabric, proposed to be removed, as below:

- 

All demolition to be carried out in accordance with Price & Myers recommendations for propping and temporary support.

All redundant services to be removed and all holes to be filled with like for like. Refer to Max Fordham proposals as required.

Any dwg format drawing is to be read in conjunction with and at the scale of the accompanying pdf.
Where colours other than black or grey are used, the drawing must be plotted in colour.
For status 'C' (Construction) drawings all dimensions are to be checked on site by the contractor, scaling is for Local Authority purposes only.
Unless otherwise indicated, all dimensions are in millimeters.
All information on this drawing is to be read in conjunction with the relevant Donald Insall Associates' construction and trade contractors' drawings and specifications by specialists.
In the event of any discrepancy, please contact us immediately.
This drawing may contain survey information by others and is to be used solely for the purposes for which it was prepared.
These are uncontrolled documents issued for information purposes only. If you have any queries regarding the drawings, please contact DIA immediately.
Please note DIA cannot be held responsible for any errors arising from changes made to an uncontrolled dwg file.
