- **Sandtoft Dark Grey Thin Leading Edge Calderdale tiles** – To make a full assessment, please include the detailed specifications of the proposed tiles within the materials schedule document.
- **Natural Stone - Grey Buff Sandstone** – The use of natural stone is considered to be acceptable. If a sample can be provided, this would also be helpful to make an assessment of the use of the proposed stone.
- **Natural slate roof tiles** – The use of natural slate is considered to be acceptable. However to make a full assessment, please provide detailed specification of proposed slates in the materials schedule document.
- **Render** – To make a full assessment, please provide detailed specification of the proposed render and include in the materials schedule document.
