

893-895 Manchester Road, Rochdale, OL11 2ST - Approval of details reserved by a condition

Brick Choice: we are proposing to use Imperial Giscol Common Solid Brick as the facing brick, laid in an English Garden bond, as indicted within out planning application. The bricks are wirecut which replicate the appearance of the old 'Giscol', with a rough cast burnt appearance and characteristic colour variations. Please see example of bricks below.

Building Materials / Bricks & Blocks / Facing Bricks

Imperial Giscol Common Solid Brick 73mm - Pack of 400

Product code: 484629
