WASTE STRATEGY

Waste Collection Strategy is as per the existing strategy used for the existing dwellings at 1 & 3 Dobfield Road, Bins are taken from their homes on bin day to Dobfield Road as the refuse vehicles reverses up Dobfield Road to collect bins. The strategy for the new homes aligns with this.

Bins are to be stored in bin stores provided at each address.

Bins are to be taken by the owner/occupier to the "Bin Collection Point" on Dobfield Road on the day of collection to then be emptied.

Bins are then to be taken back to each individual address after emptying by the owner/occupier of each address.
