Method Statement for Tree Protection Measures

- General measures**
- Construction Exclusion Zone (CEZ) shall be protected by Temporary Protective Fencing as shown. Fencing shall fully comply with BS 5837:2012
 - Notices should also be erected on the fencing stating, 'Protected Area' as Figure 3
- Construction within Root Protection Areas (RPA)**
- Areas shall be hand excavated to remove topsoil only (to stockpile), as an observed dig in preparation for 'No Dig' car park construction
 - Temporary car park shall be constructed using 'No Dig' construction as Figure 1 within the RPA of the Existing trees.
 - Once complete, temporary car park shall be fully removed, topsoil replaced from stockpile & made good to grass
