This drawing is copyright and MUST NOT be reproduced or used for competitive tendering without written permission from E.ON UK PLC. Contravention may result in legal action being taken.
The contractor is responsible for checking dimensions and any discrepancy to be verified with E.ON UK PLC, before proceeding. Figured dimensions only to be worked to, do not scale. IF IN DOUBT ALWAYS ASK

NOTES

Notes

1. Label Types A, B and C shall be securely fixed with wood screws and be clearly legible following installation.
2. Label Types D and E shall be self adhesive and attached to the Electricity North West's DNO Cut Out.
3. ONLY where the connection is PME, label Type E, with approximate dimensions of 50mm x 30mm and red lettering on a white background, shall be attached to the cut-out and shall read 'WARNING PME SERVICE POINT'
4. At every Electricity North West's DNO Cut Out, label Type D, with approximate dimensions of 50 x 30mm and black lettering on a white background, shall be attached to the cut-out and shall read 'Electricity Distribution Network provided by Electricity North West Ltd'.
