Reviews

We know that it can be difficult to source that odd sized fence panel at the end of the garden. If you've ever tried to cut a closed board panel down to size yourself, you'll know exactly what we mean. It's not at all easy to do.

That's where Savoy Timber come to the rescue, to make your DIY jobs easy.

We offer a cheap, accurate and fast made to size service, that will give you the size you need without the hassle.

It couldn't be easier. Just enter the size you need and we'll do the rest. All you need to do is drop the custom panel into the gap and the job is done.

If your fence panel order requires national delivery please email your enquiry to info@savoytimber.com and we will reply with your quotation and delivery timescale
