Ordnance Survey, (c) Crown Copyright 2015. All rights reserved. Licence number 100022432

An architectural elevation drawing of a brick building. The building features a gabled roof with a decorative cornice. A small, square window with a decorative frame is located on the left side of the elevation. A vertical dimension line next to the window indicates a height of 1600. The roof is shown with a pattern of diagonal lines representing shingles. The building is constructed of brick, indicated by a cross-hatch pattern.

Side elevation plots 3.4 &5
