Notes

1. Any dwg format drawing is to be read in conjunction with and at the scale of the accompanying pdf.
2. Where colours other than black or grey are used, the drawing must be plotted in colour.
3. For status "C" (Construction) drawings all dimensions are to be checked on site by the contractor, scaling is for Local Authority purposes only.
Unless otherwise indicated, all dimensions are in millimetres.
4. All information on this drawing is to be read in conjunction with the relevant Donald Insall Associates specification and trade contractors' drawings and information by specialists.
5. In the event of any discrepancy, please contact us immediately.
6. This drawing may contain survey information by others and is to be used solely for the purposes for which it was issued.
7. These are uncontrolled documents issued for information purposes only. If you have any queries regarding the design, please contact DIA immediately.
8. Please note DIA cannot be held responsible for any errors arising from changes made to an uncontrolled dwg file.
9. Drawing is for design and information purposes only. Specialist fit out contractor to review design and modify as required to ensure suitability and sufficient constructability of joinery items and associated gangway - shop drawings required prior to manufacture.
10. Greyed out items indicate areas of client fit out. These works are not to be undertaken by main contractor but are shown to offer guidance as to what areas are to be left clear to facilitate.
