

The site plan illustrates a residential development layout. The development is bounded by Broad Lane to the west, Lower Lane to the north, Badger Lane to the south, and John Milne Avenue to the east. A red line delineates the development boundary. Key features include:

- Buildings and Plots:** Numerous plots are numbered (01 to 57). Building footprints are shown with internal details like rooms and stairs. Notable buildings include 'Silver Hill' (plots 54, 55, 56, 57) and 'The Stables' (Stone).
- Infrastructure:** 'Underground Tanks' are located near the center of the site. A 'POS' (Public Open Space) is indicated near plot 56.
- Boundaries and Buffers:** A '15m landscape buffer to industrial units' is shown along the northern and eastern boundaries. A '1.5m Acoustic screening fence on boundary with industrial park' is located along the southern boundary.
- Vegetation:** 'Existing vegetation to be retained where possible' is noted near the bottom of the site.
- Surrounding Area:** The site is adjacent to 'Lower Lane', 'Broad Lane', 'Badger Lane', and 'John Milne Avenue'. Other nearby features include 'The Stables', 'Spring Cottage', and 'Milngate Close'.
