

VIEW FROM BRIDLEWAY:

The below two views and are the only places the current (and proposed) arena can be seen from the Bridle Way.

Photo from Bridle Way looking down the yard of Knacks Farm. The current arena is obscured from view by gates / fence / wall and the same would apply to an extended arena:

Photo from Bridle Way looking down the field between the barn belonging to Knacks Farm and the boundary edge of 4 The Knacks. The current arena is partially obscured from view by 2 lines of fencing which are both between the Bridle Way and the arena fence, the same would apply to an extended arena.
