

CONSTRUCTION NOTES:-

The image displays two architectural floor plans of a house, labeled 'Before' and 'After', illustrating a renovation project. A dashed line labeled '1' with arrows at both ends indicates a section cut through the center of both plans.

Before Plan (Left):

- Master Bedroom:** Located on the left side of the plan.
- Bathroom:** Located at the top left, adjacent to the Master Bedroom.
- Landing:** Centrally located, featuring a staircase with a red arrow pointing down.
- En Suite:** Located at the bottom center, accessible from the Landing.
- Bedroom 2:** Located at the bottom right.
- Bedroom 3:** Located at the top right.

After Plan (Right):

- Barn Master Bedroom:** A new, larger bedroom located on the left side of the right plan.
- Bathroom:** Located at the top right, adjacent to Bedroom 3.
- Landing:** Centrally located, featuring a staircase with a red arrow pointing down.
- En Suite:** Located at the bottom center, accessible from the Landing.
- Atrium:** A new space located at the bottom right, accessible from the Landing.
- Bedroom 2:** Located at the bottom left, adjacent to the Barn Master Bedroom.
- Bedroom 3:** Located at the top right, adjacent to the Bathroom.

Both plans show exterior walls in grey, interior walls in white, and doors in yellow. The 'After' plan includes a red dashed line indicating a new wall or partition. The section cut line '1' passes through the center of both plans, showing the layout of the rooms and the location of the staircase.

The floor plan shows a rectangular house with a central landing. The layout is as follows:

- Top Left:** BEDROOM 3
- Top Center:** LANDING
- Top Right:** MASTER BEDROOM
- Bottom Left:** KITCHEN / DINING
- Bottom Right:** LOUNGE

The plan includes a central hallway (landing) connecting the bedrooms to the kitchen and lounge. There are also two small rooms, likely bathrooms, located near the bedrooms.
