

This architectural elevation drawing shows a building facade with several key features and annotations:

- Numbered Callouts:** Six vertical lines with dots at the top, labeled 1 through 6, point to specific elements on the facade:
 - 1: Points to a vertical element on the left side of the main facade.
 - 2: Points to a vertical element on the left side of the main facade.
 - 3: Points to a vertical element on the left side of the main facade.
 - 4: Points to a vertical element on the left side of the main facade.
 - 5: Points to a vertical element on the right side of the main facade.
 - 6: Points to a vertical element on the right side of the main facade.
- Level Markers:**
 - RF - Roof Level 3000:** Indicated by a blue circle with a dot and a horizontal dashed line.
 - 00 - Ground Floor 165250:** Indicated by a blue triangle with a dot and a horizontal dashed line.
- Facade Details:** The drawing shows a building with a flat roof, a series of vertical elements (possibly columns or panels) on the left side, and a series of windows or doors on the right side. The building is set against a background of a sloping hillside.

Architectural section drawing of a building on a hillside. The drawing shows the building's profile, including the roof level (RF) and ground floor (00). The roof level is marked with a blue circle and the elevation 3000. The ground floor is marked with a blue triangle and the elevation 165250. The building is situated on a hillside, with the ground level sloping upwards from left to right. A road labeled 'HOLLINGWORTH ROAD' is visible on the left side of the drawing. The building's structure is shown with vertical lines indicating the interior walls and floor. The roof is a flat surface. The ground floor is a solid mass. The hillside is represented by a grey shaded area. The drawing is a technical architectural section, showing the building's form and its relationship to the surrounding terrain.

A horizontal scale bar with markings at 0, 1.0, 2.0, 3.0, 4.0, 5.0, and 10.0m.
