

[illegible]

1. The abridged survey is based on the supplied COMMS topographical survey. This may contain inaccurate information.
2. The accuracy of the line feature location cannot be guaranteed.
3. All arrows on slope / ramp etc indicate an UP direction unless otherwise stated.
4. Contours are shown on each detail area only (where applicable) and annotated at the interval specified above. Hard detail areas may be compared if specifically requested.
5. Site traffic or obstructions encountered at the time of the survey may have resulted in touchback features being omitted.
