

General Notes
1. Do not scale off these drawings. Work to stated dimensions only.
2. All dimensions are in millimetres unless noted otherwise.
3. These drawings should be read in conjunction with all other relevant drawings, specifications, schedules and other information including all other consultants drawings.
4. The contractor is responsible for the temporary stability of all structures including the ground during the works and is to undertake the necessary temporary works designs as required.
5. Setting out information to be co-ordinated by lead designer.
