Plan as existing  
1:20 @ A3

4 no. risers.  
Step riser = 150mm av.  
Step going = 320mm av.

| Notes |                                                                                                                                                                                       |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1.    | Any dwg format drawing is to be read in conjunction with and at the scale of the accompanying pdf.                                                                                    |
| 2.    | Where colours other than black or grey are used, the drawing must be plotted in colour.                                                                                               |
| 3.    | For status 'C' (Construction) drawings all dimensions are to be checked on site by the contractor, scaling is for Local Authority purposes only.                                      |
| 4.    | Unless otherwise indicated, all dimensions are in millimeters.                                                                                                                        |
| 5.    | All information on this drawing is to be read in conjunction with the relevant Donald Insall Associates specification and trade contractors' drawings and information by specialists. |
| 6.    | In the event of any discrepancy, please contact us immediately.                                                                                                                       |
| 7.    | This drawing may contain survey information by others and is to be used solely for the purposes for which it was issued.                                                              |
| 8.    | These are uncontrolled documents issued for information purposes only. If you have any queries regarding the drawings, please contact DIA immediately.                                |
| 9.    | Please note DIA cannot be held responsible for any errors arising from changes made to an uncontrolled dwg file.                                                                      |
