

Treelink North West Limited

12/09/24

Mr Martin
4 The Harridge
Rochdale
OL12 7UX

To whom it may concern,

We have been approached by Mr Martin of 4 The Harridge to quote for the felling of a Sycamore situated in his front garden.

The tree is subjected to a tree preservation order. Pruning works have been carried out previously resulting the tree heavily leaning to the south west towards the neighbouring property. Mr Martin is worried that the tree could potentially come down in bad weather and hit his and the neighbouring property..

Our recommendation is to fell the Sycamore tree to ground level.

All H&S, method statement, risk assessment and insurance documentation will be provided as and when requested.

Personnel are CSCS and NPTC qualified and DBS checked; all certification will be produced on request.

Treelink Northwest Ltd is a CHAS registered company and are certified members of Constructionline.

If you require any further information at this stage please do not hesitate to contact us.

We look forward to hearing from you soon.

Kind regards,
Jon Spencer.
