Dear Ryan,

Thank you for the opportunity to comment on the above application.

I prepared the Preliminary Crime Impact Statement (CIS) report for the outline scheme prior to its submission. The general recommendations within the Prelim CIS report should be taken into account when each phase of the scheme is designed in detail. Should the Council be minded to approve the outline application, we would highly recommend that a full CIS report is prepared and submitted with any future reserved matters applications, to ensure these issues have been addressed and an assessment of the details and specifications can be made.

Regards
