

To Whom it may concern,

The Salvation Army, Rochdale

Please find enclosed the following drawings and documents to support the application:

- The Salvation Army Rochdale Design and Access Statement (DAS)
- The Salvation Army Rochdale Drw 01 Existing Elevations
- The Salvation Army Rochdale Drw 02 Proposed Elevations
- The Salvation Army Rochdale Drw 03 Location Plan
- The Salvation Army Rochdale Drw 04 Site Plan
- The Salvation Army Rochdale Drw 05 Proposed Canopy

Also in calculating the fee of £181.00, none of the options provided (under lawful Development) really applied to the proposed scheme. However I selected the most appropriate option out of the choices, hopefully this is acceptable.

Many thanks,

Chris Fox
