1st May 2019,
Head of Planning
fao Sharon Hill,
Dear Sir,

Change of use retail shop to taxi booking office,
848 Manchester Road,
Castleton OL11 2SP,
Ref 19/00436/FUL Mubeen Pate

Further to telephone conversations and resubmitting the above application Mr Razaq, the applicant wishes me to confirm to you that the business is run on an 'Uber' type app, where the taxis are not parked outside the property but on the road or at the own homes
Therefore, thus there will be

very little other than some pickups outside the shop between 8am and 10pm.

He also says that he has an agreement to park within the adjacent Blue Pit car park which he understands you cannot really accept as a permanent situation.

Will you please contact Mr Razaq to any questions re the app which is run similar to his other taxis businesses.

Yours faithfully,
Stephen Hagué.
