

FIRE MANAGEMENT PLAN

Brownhill Community Learning School

Sutherland Rd

Heywood OL10 3PY

FIRE PREVENTION SCHEME

Ensure that you **BOOK IN** and **OUT** at all times, if you leave site at any stage of the day – **BOOK OUT** at the office.

This is a **NO SMOKING SITE** if you are caught smoking on site this will result in immediate removal from site with disciplinary action. Smoking is permitted in the designated area only and at appropriate break time only.

Housekeeping is your responsibility. Keep your work area tidy.

Ensure that your area of work is clear of obstruction, particular on corridors and escape routes. Staircases are not a storage area for rubbish.

All flammable materials including paper, cardboard and plastics are to be removed to the skip area at the first opportunity. **NO FLAMMABLE WASTE** is to be left unattended.

Comply with any instruction from the site Manager/fire warden. The manager/warden has the full support and authority of the client and PLP Construction Ltd.

NO HOT WORKS permitted on site, without the authority and detailed safe systems approved by the PLP Site Manager.

Flammable liquids including petrol tools are not permitted on site without authority of the site manager. Safe areas shall be agreed. At no stage are flammable liquids to be stored in the designated area only (steel container).

Ensure that you are fully aware of the emergency evacuation plan. Do you know your nearest escape route to the assembly area?

Arson is a major issue in construction. It is vital that we remain vigilant to any indication of trespassers and report immediately.

PLP Construction Ltd require your assistance at all times to reduce the risk of fire on this project. Please consider your systems of work and ensure you are not putting yourself or others at risk.

Thank you for your support.
Joanne James
PLP Director 10th June 2024
