

5 Hillkirk Drive Rochdale – Tree Inspections Sept 18th 2024

For tree locations please refer to Map 1

Location 1 – Earthworks affecting trees along boundary with Judith Street

Some limited harm within
root protection zone

Location 2 – Alder trees with pronounced lean

Alder trees with pronounced
lean, affected by earthworks
but not immediately
dangerous. Alder likely not
included in TPO

Location 3 – Elder immediately adjacent to Pine tree –

Recommendation – remove
Elder to benefit Pine

Location 4 – Elder with heavy lean

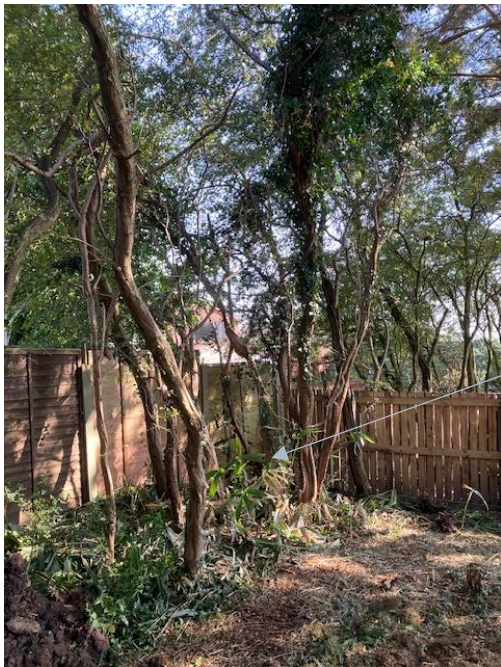

Recommendation – remove tree

Location 5 – Hedgerow along eastern boundary

Earthworks affecting
boundary hedge – limited
harm to unmanaged
hedgeline

Recommendation –
remove poor form
Hawthorn and re-plant
new hedge plants
