To whom it may concern

Re: Planning Permission at Bank Top Farm, Littleborough

As a local school, we would support and greatly welcome the proposed Farm Shop and Community Room at Bank Top Farm, Littleborough.

This would be a fantastic opportunity to educate local children in farming, food production the environment and sustainability.

The delivery of the education element would use the expertise of the farming staff and would link into the LEAF programme. It would also enhance and provide the understanding of sustainability and food production in a local context which I feel is vitally important.

It would defiantly be an asset to the community.

Yours sincerely

Mr M A Kenyon
