**For the attention of Rachel Carney,
Application 25/00360/VRCON – Condition 10**

Dear Rachel,

I have viewed the drawings for the landscaping scheme. While I am happy with the location and amount of soft landscaping, I would ask the applicant to consider the use of locally native species, where suitable. I am happy for the landscaping plan to now be delivered in line with the original condition.

Yours sincerely,
Sam
