Health and Safety Risk Review (High, Medium, Low)

Select:	PERSONAL INJURY RISK	Medium
	PROPERTY DAMAGE RISK	Medium

Requirements/Authorisations

E.g. Permit to Work, SCO 1, 2 or SCO 7, STC

Scope of Works

Our certified team will attend site and use ropes and harness to access the sycamore next to the compound. Branches will be individually pruned and lowered into a segregated drop zone using LOLER certified rigging equipment. The entire lower leader will be removed back to stem due it growing within 1 metre of the vent stack. All waste will be processed through a wood chipper and removed from site for suitable disposal.
