Team: Environmental Control (Landfill Gas)

Application Number: 24/01216/FUL

Proposal: Erection of front extension to create new two storey office building, rear infill extension to existing warehouse to provide additional storage and operational space including the creation of three new loading bays. Other works include the associated raising of the eaves and ridge height of the existing warehouse building.

Dear Anna,

I have reviewed the updated plans and do not see any need to change our previous advice regarding this application.

Yours sincerely,

Jonathon Parr
