

Construction Management Plan development of
three dwellings at War Office Road, Rochdale.

Planning Reference – 23/01347/VRCON

Schedule:

1. Cabin and Toilet facilities.
2. Storage of materials.
3. Existing access used as site entrance. All deliveries will be supervised during site working hours.
 - Heras fencing along inside of existing boundary fence and walls as marked in yellow.
 - Site working hours - 8am to 5pm Monday to Friday.
 - There will be no security lighting.
 - Any retained trees protected in accordance with arboriculturists recommendations.
 - Any potential dust arising from cutting materials to be controlled with water.
 - Site vehicles will have wheels washed down prior to leaving site during major earthworks to reduce unwanted debris spreading onto highway. During general construction work footpaths and road conditions to be monitored. Footpaths to be cleaned and swept on a daily basis. Road sweeper to clean highways adjoining the site as directed by site manager and L.A. Highways department.
