Hi Nick,

The Environmental Protection Team have reviewed the planning application. The proposal is in close proximity to commercial premises. The Environmental Protection Team would require a noise assessment to determine the current noise levels and the mitigation measures required. The EP team would also require details of unit 1 and any details of plant & equipment installed.

Regards

Tahir

Hi Tahir,

I apologise for chasing but please could I chase for comments on this application?

Thank you.

Kind Regards

Nick
