

Treelink North West Limited

17/07/25

Mrs Khalid
1A Arthur Street
Rochdale
OL12 6SJ

To whom it may concern,

We have been approached by Mrs Khalid of 1A Arthur Street to quote for the pruning of an Oak tree, situated on a grassed area outside her property, on Crimble Street. This strip of land is owned by Rochdale Council.

The tree overhangs the property severely - we recommend that various low down lateral branches are pruned back to the boundary fence. One limb (which has visible damage), which grows over the house will be removed. The tree will have to be balanced on the grassed area side (council land), this would require removal of three low down lateral branches. All tree waste will be removed.

All H&S, method statement, risk assessment and insurance documentation will be provided as and when requested.

Personnel are CSCS and NPTC qualified and DBS checked; all certification will be produced on request.

Treelink Northwest Ltd is a CHAS registered company and are certified members of Constructionline. If you require any further information at this stage please do not hesitate to contact us.

We look forward to hearing from you soon.

Kind regards,
Jon Spencer.
