Good afternoon,

The Canal & River Trust is a statutory consultee in Article 18 and Schedule 4 Paragraph z(a) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended). The current notified area applicable to consultations with us, in our capacity as a Statutory Consultee was issued to Local Planning Authorities in March 2023 for use from 1 April 2023. It comprises three zones that relate to notifications for different types and scales of proposed development.

This application falls outside the notified area for its application scale and location. We are therefore returning this application to you as there is no requirement for you to consult us in our capacity as a Statutory Consultee.

We are happy to comment on particular applications that fall outside the notified areas where there are relevant circumstances. If you would like the Canal & River Trust's comments in this case or any other, please clarify the reason for your consultation when you send it.

Should you have a query in relation to consultation or notification of the Canal & River Trust on planning applications, please email us at planning@canalrivertrust.org.uk. For the mapping data, please see our associated guidance and download our planning buffer from our website [here](#).

Regards,

Victoria

Subject: 25/00680/FUL - Scout Moor Wind Farm_Consultation Request

Dear Sir/Madam

Town and Country Planning Act 1990

The Town and Country Planning (Development Management Procedure) (England) Order 2015

The Town and Country Planning (Environmental Impact Assessment) Regulations 2017

CONSULTATION REQUEST

Application No: 25/00680/FUL
Application Type: Full Planning Application
Proposal: Construction and operation of 17 wind turbines with a maximum height to the tip of the blade of 180 metres (above ordnance datum), together with associated ancillary infrastructure comprising crane pads and hardstandings; new access tracks; improvement and widening works to Scout Road; onsite substation; underground electrical infrastructure and cabling; fencing and boundary treatments; external lighting; drainage infrastructure; habitat and moorland restoration works; public right of way works; landscaping; temporary construction compound and staging area; underground electrical grid connection to the Rossendale Bulk Supply Point; and associated engineering works; alongside the retention of and improvements to existing access tracks associated with the existing Scout Moor Wind Farm.
Location: Scout Moor Wind Farm, Rochdale

I have received an application in respect of the above proposal.

The case officer has requested that you be consulted to give your views on this application. I should be pleased to receive your observations on the proposal within the next **30 days**. The application is accompanied by an Environmental Statement as required under the Environmental Impact Assessment Regulations.
