Proposal: Submission of details to comply with conditions 5 (coal mining), 6 (remediation), 12 (landscaping), 13 (boundary treatments), 14 (SUDS), 17 (EV charging), 18 (community use agreement) and 23 (external lighting) on planning permission 23/00852/PSID | Land North Of West Starkey Street, Heywood

Dear Ryan,

I have reviewed the gas verification plan and validation report which was submitted to fulfil condition 6 on application 23/00852/PSID, and undertaken by ASL (Report Reference: 273-24-292.3184).

This report is satisfactory. Assuming that there are no further works to be inspected, then Condition 6 on application 23/00852/PSID can be discharged.

If you have any queries, please do not hesitate to reach out.

Yours sincerely,

Jonathon Parr
