Details of the pre-application advice received

That the proposed internal subdivision of a non-residential building within the same use class (Class E), with no external alterations and no additional floorspace, would not constitute development and therefore would not require planning permission.

I would still recommend applying for a lawful development certificate, as only a Lawful Development Certificate or planning application can confirm legality.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☐ Owner
- ☒ Lessee
