Conclusion

In summary, the principle of a new dwelling at this location is acceptable in principle. Noting the general makeup of the area, there is no reason to object to a two-storey building however further consideration needs to be given to the impact of the dwelling on the occupiers of the properties on Burdett Avenue, in particular the impact of the proposals on the levels of outlook, natural light and privacy benefitted from. This may evolve the layout of the site or the massing of the building. It is expected that at least indicative landscaping and materials details are provided at the application stage.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☒ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

- ☐ Yes
- ☒ No

If No, and you cannot trace all the other owners/agricultural tenants, can you give the appropriate notice to one or more owner/agricultural tenant?

- ☐ Yes
- ☒ No

Certificate Of Ownership Certificate D

I certify/ The applicant certifies that:

- **Certificate A cannot be issued for this application**
- **All reasonable steps have been taken to find out the names and addresses of everyone else who, on the day 21 days before the date of this application, was the owner* and/or agricultural tenant** of any part of the land to which this application relates, but I have/ the applicant has been unable to do so.**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural tenant" has the meaning given in section 65(8) of the Town and Country Planning Act 1990

The steps taken were:

The council have confirmed it is unadopted, but are not able to advise of the owner. The applicant has looked at their title deeds to see if it is mentioned for access to their plot and there is nobody named.
