

STATEMENT

The existing garage has 2No. windows on the left hand elevation, 1 No. window on the rear elevation, 1 door and 1 window on the right hand elevation and 2 No. roller shutter doors to the front elevation. The proposed development is to replace the existing garage roller shutter doors to the front elevation with 2No. full height windows. The existing eaves height is 2325mm from external level and this will not be changed.

This will have no affect to the overall size of the existing garage.
