Dear Sir/Madam

Proposal: Article 18 consultation from Rochdale Council (ref. 25/00680/FUL): Construction and operation of 17 wind turbines with a maximum height to the tip of the blade of 180 metres (above ordnance datum), together with associated ancillary infrastructure comprising crane pads and hardstandings; new access tracks; improvement and widening works to Scout Road; onsite substation; underground electrical infrastructure and cabling; fencing and boundary treatments; external lighting; drainage infrastructure; habitat and moorland restoration works; public right of way works; landscaping; temporary construction compound and staging area; underground electrical grid connection to the Rossendale Bulk Supply Point; and associated engineering works; alongside the retention of and improvements to existing access tracks associated with the existing Scout Moor Wind Farm.

Location: Scout Moor Wind Farm, Rochdale

This application has now been considered and this Authority **RAISES NO OBJECTION** to the proposal. The Local Highway Authority however request that this Authority is consulted on any subsequent condition discharge applications in relation to Construction Traffic Management Plan/s.

I would ask that you give every consideration to any representations you have received from residents of Bury, and Statutory Consultees when you assess the acceptability or not of the scheme.

Yours faithfully

The Development Management Team
