

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)**Full Planning Application**

APPLICATION REFERENCE: 25/00622/FUL

Applicant MR SHAFQAT SIDDIQ 63 HAMER LANE ROCHDALE OL16 2UL	Agent CORE ARCHITECTURAL STUDIO 20 COPY NOOK BLACKBURN BB1 3AN
--	---

Part I - Particulars of Application

Proposal: Proposed four-storey building comprising retail at ground floor, storage facilities at lower ground floor, and 2no. two- bedroom apartments at upper floors.

Location: Land Adjacent 135 - 137 Whitworth Road Rochdale OL12 0RE

Valid On: 22 September 2025

DECISION: GRANT PLANNING PERMISSION SUBJECT TO THE FOLLOWING CONDITIONS:**Condition(s) (13)**

- 1 The development must be begun not later than three years beginning with the date of this permission.

Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following drawings and documents hereby approved unless otherwise required by the conditions below:

Plans

Drawing 'Proposed Plans 01' revision C received 13.02.2026 (Proposed Floor Plans and Roof Plan)

Drawing 'Proposed Plans 02' revision C received 13.02.2026 (Proposed Elevations)

Drawing 'Proposed Plans 03' revision C received 13.02.2026 (Proposed Elevations with street scene)

Drawing 'Proposed Plans 04' revision C received 13.02.2026 (Proposed Site Plan)

Documents

Noise assessment prepared by Enevo, Reference: 22356v2, Dated: January 2026.

Reason: For the avoidance of doubt and to ensure a satisfactory development in accordance with the policies within the adopted Rochdale Core Strategy, the saved Rochdale Unitary Development Plan, the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 3 No development shall take place until an investigation and risk assessment (in addition to any assessment provided with the planning application) has been submitted to and approved in writing by the Local Planning Authority. The assessment shall investigate the nature and extent of any contamination on the site (whether or not it originates on the site). The assessment shall be undertaken by competent persons.

The submitted report shall include:

- i) a survey of the extent, scale and nature of contamination
- ii) an assessment of the potential risks to:
 - o human health,
 - o property (existing or proposed) including buildings, crops, livestock, pets, woodland, and service lines and pipes,
 - o adjoining land,
 - o groundwaters and surface waters,
 - o ecological systems,
 - o archaeological sites and ancient monuments;
- iii) where unacceptable risks are identified, an appraisal of remedial options and proposal of the preferred option(s) to form a remediation strategy for the site.

The development shall be carried out in accordance with the approved remediation strategy thereafter.

No part of the development shall be occupied until a verification report demonstrating that the approved remediation has been implemented has been submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure the safe development of the site in the interests of the amenity of future occupiers in accordance with Policy G9 of the adopted Rochdale Core Strategy, Policy JP-S1 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

Reason for pre-commencement condition: Further investigation will be necessary prior to commencement of any building or engineering works on site.

- 4 The development shall not commence until a Habitat Management and Monitoring Plan (the HMMP) has been submitted to, and approved in writing by, the local planning authority. The HMMP shall be prepared in accordance with the approved Biodiversity Gain Plan and include:

- a) a non-technical summary;
- b) the roles and responsibilities of the people or organisation(s) delivering the HMMP;
- c) the planned habitat creation and enhancement works to create or improve habitat to achieve the biodiversity net gain in accordance with the approved Biodiversity Gain Plan, including a timetable for its implementation and completion;
- d) the management measures to maintain habitat in accordance with the approved Biodiversity Gain Plan for a period of 30 years from the completion of development; and
- e) the monitoring methodology and frequency in respect of the created or enhanced habitat to be submitted to the local planning authority,

The created and/or enhanced habitat specified in the approved HMMP shall be completed, managed and maintained in accordance with the approved HMMP.

Notice in writing shall be given to the Council when the:

- a) HMMP has been implemented; and

b) habitat creation and enhancement works as set out in the HMMP have been completed.

Monitoring reports shall be submitted to local planning authority in writing in accordance with the methodology and frequency specified in the approved HMMP.

Reason: To ensure the development delivers a biodiversity net gain on site in accordance with Schedule 7A of the Town and Country Planning Act 1990 and policies G6 and G7 of the adopted Rochdale Core Strategy and JP-G8 of the adopted Places for Everyone Joint Development Plan.

Reason for Pre-commencement: The HMMP will be required as part of the arrangements to be approved under the statutory BNG condition which requires submission of the Biodiversity Gain Plan prior to commencement of development.

- 5 The development shall be carried out in full accordance with the hedgehog Reasonable Avoidance Measures set out within the Preliminary Ecological Appraisal (Verity Webster, 2025). These measures shall be implemented for the duration of the construction phase.

Reason: To minimise potential harm to hedgehog, a species protected under the Wildlife and Countryside Act 1981 (as amended), and in accordance with Policy G7 of the adopted Rochdale Core Strategy, Policy JP G8 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

- 6 No part of the development hereby permitted shall be occupied until a scheme of biodiversity enhancements pursuant to that phase of development has been submitted to and approved in writing by the Local Planning Authority. Such measure shall include, but not limited to, the provision of bird boxes, bird bricks, bat boxes and bat bricks to be integrated to the fabric of the buildings hereby approved. The duly approved scheme shall be implemented in full prior to final occupation of the phase of development to which the measures relate and retained thereafter.

Reason: In the interests of enhancing biodiversity and habitat provision within the site in accordance with Policy G7 of the adopted Rochdale Core Strategy, Policy JP-G8 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework

- 7 No above ground works shall take place until such time as a detailed specification and/or samples of materials to be used externally in the construction of the development have first been submitted to and approved in writing by the Local Planning Authority. Such details shall include the

type, colour and texture of the materials. The development shall be carried out in accordance with the duly approved details thereafter.

Reason: In the interests of ensuring a satisfactory visual appearance to the development and in accordance with Policies P3 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

- 8 No above ground works shall take place until full product specifications for the windows, external doors, roof lights, and detailed designs of the window and door reveals, at a scale of not less than 1:50, to be used on the development hereby approved, have been submitted to and approved in writing by the Local Planning Authority. The windows and doors shall be installed in accordance with the approved details thereafter.

Reason: In the interests of ensuring a satisfactory visual appearance to the development and in accordance with Policies P3 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 9 Notwithstanding any details submitted as part of the application, no part of the development shall be occupied until details of the type, siting, design and materials to be used in the construction of boundaries, screens or retaining walls have been submitted to and approved in writing by the Local Planning Authority. Any structures shall be installed in accordance with the approved details prior to the first occupation of the approved development and retained thereafter.

Reason: In the interests of ensuring a satisfactory visual appearance to the development and in accordance with Policies P3 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

- 10 No above ground works shall take place until details of a gate to be installed at the entrance/exit point to the realigned pedestrian route adjacent to the Mark Twain premises shall be submitted to and approved in writing by the Local Planning Authority. The submitted details shall include the design and location of the gating and arrangements to ensure continued access for maintenance. The gate shall be installed in accordance with the approved details prior to the route being brought into use and shall be retained for the lifetime of the development.

Reason: To ensure the safety and security of users of the route in accordance with Policies P3 and DM1 of the adopted Rochdale Core

Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

- 11 The development hereby approved shall be constructed in accordance with the noise mitigation measures set out within report reference 22356v2, Dated: January 2026 (submitted noise impact assessment). No part of the development shall be occupied until such time as a verification report has been submitted to and approved in writing by the Local Planning Authority to confirm that the approved ventilation and acoustic measures have been implemented to achieve the required maximum noise levels. The noise attenuation measures shall be retained as installed thereafter.

Reason: To safeguard the amenities of residents in order to comply with the requirements of Policies G9 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 12 Notwithstanding the provisions of the Town and Country Planning (Use classes) Order 1987, (as amended), and the Town and Country Planning (General Permitted Development)(England) Order 2015 (as amended) or any equivalent Order following the revocation and re-enactment thereof, the ground and lower ground floor of the building hereby approved shall only be used for the purposes described within Use Class E (a) and for no other purpose including other uses within Use Class E.

Reason: To ensure that the use of the premises remains appropriate to the character and function of the area and to safeguard the amenities of neighbouring occupiers, in accordance with policy DM1 of the adopted Rochdale Core Strategy, Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 13 The Class E(a) use hereby permitted at the ground and lower ground floors shall not be operated outside the hours of 08:00 to 22:00 Monday to Saturday and 09:00 to 18:00 on Sundays and Bank Holidays.

Reason: To protect the amenity of nearby occupants and in accordance with policies G9 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

Approval Reason(s) (1)

- 1 The Local Planning Authority worked proactively with the applicant to identify various solutions during the application process to ensure that the proposal comprised sustainable development and would improve the

economic, social and environmental conditions of the area and would accord with the development plan. These were incorporated into the scheme and/or have been secured by planning condition.

Date of Decision: 13/02/2026

Melanie Hale
Head of Planning

IMPORTANT

PLEASE ENSURE THAT YOU HAVE READ AND FULLY UNDERSTOOD THE CONTENTS OF THIS DECISION NOTICE. YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES.

INFORMATIVE:

The Local Planning Authority's reasons for its decision are set out in the accompanying officer's report.

Your attention is drawn to the following (3)	
14	INFORMATIVE: The applicant is reminded of the need to submit and obtain formal approval of those details required by conditions of this planning permission before development may lawfully commence on the site. The formal discharge of a planning condition is subject to payment of an additional fee.
15	INFORMATIVE The applicant is advised that protected species can be present in unexpected locations, and the granting of planning permission does not remove the need to comply with all relevant wildlife legislation. Should any protected species be found or suspected at any stage of the works, the applicant must cease work immediately and seek advice from a suitably qualified ecologist before proceeding, to ensure compliance with the laws in place to safeguard biodiversity.
16	BIODIVERSITY NET GAIN The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for development of land in England is deemed to have been granted subject to the condition (biodiversity gain condition) that development may not begin unless:

	(a) a Biodiversity Gain Plan has been submitted to the planning authority, and; (b) the planning authority has approved the plan. The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan, if one is required in respect of this permission would be Rochdale Council. Based on the information available this permission is considered to be one which will require the approval of a biodiversity gain plan before development is begun because none of the statutory exemptions or transitional arrangements listed below are considered to apply. Statutory exemptions and transitional arrangements in respect of the biodiversity gain condition. 1. The application for planning permission was made before 12 February 2024. 2. The planning permission relates to development to which section 73A of the Town and Country Planning Act 1990 (planning permission for development already carried out) applies. 3. The planning permission was granted on an application made under section 73 of the Town and Country Planning Act 1990 and (i) the original planning permission to which the section 73 planning permission relates* was granted before 12 February 2024; or (ii) the application for the original planning permission* to which the section 73 planning permission relates was made before 12 February 2024. 4. The permission which has been granted is for development which is exempt being: 4.1 Development which is not 'major development' (within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015) where: i) the application for planning permission was made before 2 April 2024; ii) planning permission is granted which has effect before 2 April 2024; or iii) planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 where the original permission to which the section 73 permission relates* was exempt by virtue of (i) or (ii). 4.2 Development below the de minimis threshold, meaning development which:
--	---

	i) does not impact an onsite priority habitat (a habitat specified in a list published under section 41 of the Natural Environment and Rural Communities Act 2006); and ii) impacts less than 25 square metres of onsite habitat that has biodiversity value greater than zero and less than 5 metres in length of onsite linear habitat (as defined in the statutory metric). 4.3 Development which is subject of a householder application within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015. A "householder application" means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building. 4.4 Development of a biodiversity gain site, meaning development which is undertaken solely or mainly for the purpose of fulfilling, in whole or in part, the Biodiversity Gain Planning condition which applies in relation to another development, (no account is to be taken of any facility for the public to access or to use the site for educational or recreational purposes, if that access or use is permitted without the payment of a fee). 4.5 Self and Custom Build Development, meaning development which: i) consists of no more than 9 dwellings; ii) is carried out on a site which has an area no larger than 0.5 hectares; and iii) consists exclusively of dwellings which are self-build or custom housebuilding (as defined in section 1(A1) of the Self-build and Custom Housebuilding Act 2015). 4.6 Development forming part of, or ancillary to, the high speed railway transport network (High Speed 2) comprising connections between all or any of the places or parts of the transport network specified in section 1(2) of the High Speed Rail (Preparation) Act 2013. *original planning permission means the permission to which the section 73 planning permission relates"" means a planning permission which is the first in a sequence of two or more planning permissions, where the second and any subsequent planning permissions are section 73 planning permissions. For the purposes of paragraph 13 (a) above, a biodiversity gain plan is a plan which: (a) relates to development for which planning permission is granted, and;
--	--

	(b) specifies the matters referred to in sub-paragraph 14(2) below: The matters are: (g) information about the steps taken or to be taken to minimise the adverse effect of the development on the biodiversity of the onsite habitat and any other habitat; (h) the pre-development biodiversity value of the onsite habitat; (i) the post-development biodiversity value of the onsite habitat; (j) any registered offsite biodiversity gain allocated to the development and the biodiversity and the biodiversity value of that gain in relation to the development; (k) any biodiversity credits purchased for the development; and (l) any such other matters as the Secretary of State may by regulations specify.
--	---

Notes

- 1 The decision is for planning purposes only and for no other. It does not grant approval under any other regulatory regime, including the building regulations. Separate approvals may be required.
- 2 This permission does not give any legal right to carry out the development on, over or under land owned by or contrary to the rights of another person. You are advised to seek independent legal advice Your attention is also drawn to the Party Wall Act.
- 3 If you are unhappy with the decision to grant permission subject to conditions you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990. Details of how to appeal can be obtained from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or via their website at <https://www.gov.uk/government/publications/planning-appeals-procedural-guide>.
- 4 If permission to develop land is granted subject to conditions, whether by the Council or by the Secretary of State and you, as owner of the land, claim that it has become incapable of reasonable beneficial use, you may serve a Purchase Notice on the Council requiring the Council to purchase your interest in accordance with the provision of Part IV of the Town and Country Planning Act 1990.
- 5 Some conditions attached to a grant of permission may require you to submit details and/or information before you start work. Please note that we aim to deal with these requests within 8 weeks. There is a fee for 'approval of details reserved by a condition'. These fees are set by Government and the current

level can be found at:
