DECISION: GRANT PLANNING PERMISSION SUBJECT TO THE FOLLOWING CONDITIONS:**Condition(s) (15)**

- 1 The development must be begun not later than three years beginning with the date of this permission.

Reason: Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following drawings and documents hereby approved unless otherwise required by the conditions below:

Plans

Site Location Plan 1:1250

Drawing number 22.2892.2L Proposed Site Plan

Drawing number 22.2892.5H Proposed Floor Plans

Drawing number 22.2892.7K Proposed Elevations

Drawing number 22.2892.6E Proposed Site Section

Documents

Noise Impact Assessment prepared by Soundscape dated 26.08.2024.

Bat Survey Report and Method Statement (European Protected Species (Bats) Reasonable Avoidance and Mitigation Measures Lancashire Dog report dated 01.07.2025).

Reason: For the avoidance of doubt and to ensure a satisfactory development in accordance with the policies within the adopted Rochdale Core Strategy, the saved Rochdale Unitary Development Plan, the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 3 Prior to the commencement of development, details of a sustainable surface water drainage scheme and a foul water drainage scheme shall be submitted to and approved in writing by the Local Planning Authority. The drainage schemes must include:

(i) An investigation of the hierarchy of drainage options in the National Standards for Sustainable Drainage Systems (or any subsequent amendment thereof). This investigation shall include evidence of an assessment of ground conditions and the potential for infiltration of surface water;

(ii) A restricted rate of discharge of surface water agreed with the local planning authority (if it is agreed that infiltration is discounted by the investigations);

(iii) Levels of the proposed drainage systems including proposed ground and finished floor levels in AOD;

(iv) Incorporate mitigation measures to manage the risk of sewer surcharge where applicable; and

(v) Foul and surface water shall drain on separate systems.

The approved schemes shall be in accordance with the National Standards for Sustainable Drainage Systems (2025) or any subsequent replacement national standards.

Prior to occupation of the proposed development, the drainage schemes shall be completed in accordance with the approved details and retained thereafter for the lifetime of the development.

Reason: To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution. To prevent an increased risk of flooding as a result of the development and to ensure satisfactory disposal of surface water from the site in accordance with Policy G8 of the adopted Rochdale Core Strategy, Policy JP-S4 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

Reason for pre-commencement condition: Drainage infrastructure will need to be implemented prior to commencement of above ground works and a scheme therefore needs to be agreed in advance of the same.

- 4 A watching brief for contamination shall be maintained when carrying out the approved development. If contamination is not suspected, found or caused during development, a completion letter to confirm the absence of contamination shall be submitted to and approved in writing of the Local Planning Authority prior to the first use or occupation of the approved development.

In the event that contamination is found at any time when carrying out the approved development that was not previously identified it must be reported in writing immediately to the Local Planning Authority. An investigation and risk assessment must be undertaken and where remediation is necessary a remediation scheme must be prepared, which shall be submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure the safe development of the site in the interests of the amenity of future occupiers in accordance with Policy G9 of the adopted Rochdale Core Strategy, Policy JP-S1 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 5 No above ground works shall take place until such time as a detailed specification of materials to be used externally in the construction of the development have first been submitted to and approved in writing by the Local Planning Authority. Such details shall include the type, colour and texture of the materials. A built sample of the external facing materials shall be made available for viewing on site. The development shall be carried out in accordance with the duly approved details thereafter.

Reason: In the interests of ensuring a satisfactory visual appearance to the development and in accordance with Policies P3 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

- 6 No above ground works shall take place until full product specifications for the windows, external doors, roof lights, and detailed designs of the window and door reveals, at a scale of not less than 1:50, to be used on the development hereby approved, have been submitted to and approved in writing by the Local Planning Authority. The windows and doors shall be installed in accordance with the approved details thereafter.

Reason: In the interests of ensuring a satisfactory visual appearance to the development and in accordance with Policies P3 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 7 Notwithstanding the details shown on the approved plans, no development shall take place until full details of both hard and soft landscaping works have been submitted to and approved in writing by the Local Planning Authority. The details shall include the formation of any banks, terraces or other earthworks, hard surfaced areas and materials, planting plans, specifications and schedules (including planting size, species and numbers/densities) and a scheme for the timing / phasing of implementation works.

The landscaping works shall be carried out in accordance with the approved scheme for timing / phasing of implementation or within the next planting season following final occupation of the development hereby permitted, whichever is the sooner.

Any trees or shrubs planted or retained in accordance with this condition which are removed, uprooted, destroyed, die or become severely damaged or become seriously diseased within 5 years of planting shall be replaced within the next planting season by trees or shrubs of similar size and species to those originally required to be planted.

Reason: To ensure that the site is satisfactorily landscaped having regard to its location and the nature of the proposed development and in accordance with Core Strategy Policies G6 and G7, Policies JP-G6 and JP-G7 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 8 Notwithstanding any details submitted as part of the application, no part of the development shall be occupied until details of the type, siting, design and materials to be used in the construction of boundaries, screens or retaining walls, have been submitted to and approved in writing by the Local Planning Authority. Any structures shall be installed in accordance with the approved details prior to the first occupation of the approved development and retained thereafter.

Reason: In the interests of ensuring a satisfactory visual appearance to the development and in accordance with Policies P3 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

- 9 The development hereby approved shall not be brought into use until such time as details for the design of refuse/recycling bin store has been submitted to and approved in writing by the Local Planning Authority. The duly approved scheme shall be installed in complete accordance and made available for use prior to the approved development first being brought into use. The approved refuse and recycling scheme shall be retained as constructed for its intended use thereafter.

Reason: In the interests of ensuring a satisfactory visual appearance to the development and in accordance with Policies P3 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

- 10 The car parking, servicing and other vehicular access arrangements shown on the approved plans to serve the development hereby permitted shall be made fully available for use prior to the development being first brought into use and shall be retained thereafter for their intended purpose.

Reason: In the interest of highway safety and the free flow of traffic and in accordance with Policies T2 and DM1 of the adopted Rochdale Core Strategy, Policy JP-C8 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 11 No part of the development hereby permitted shall be occupied until a scheme of biodiversity enhancements has been submitted to and approved in writing by the Local Planning Authority. Such measure shall include, but not limited to, the provision of two Greenwood Eco Habitats two crevice bat boxes to be integrated to the fabric of the building hereby approved. The duly approved scheme shall be implemented in full prior to final occupation of the phase of development to which the measures relate and retained thereafter.

Reason: In the interests of enhancing biodiversity and habitat provision within the site in accordance with Policy G7 of the adopted Rochdale Core Strategy, Policy JP-G8 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 12 The demolition of all existing buildings on site shall be carried out in accordance with the reasonable avoidance measures as set out in the submitted Bat Survey Report and Method Statement (European Protected

Species (Bats) Reasonable Avoidance and Mitigation Measures Lancashire
Dog report dated 01.07.2025).

Reason: In order to minimise potential risk to protected species and in accordance with Policy G7 of the adopted Rochdale Core Strategy, Policy JP-G8 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 13 The development hereby approved shall be constructed in accordance with the noise mitigation measures set out within Noise Impact Assessment prepared by Soundscape dated 26.08.2024 to achieve the following internal and external noise levels:

- 35 dB(A) Leq (16 hour) in the bedrooms with windows shut and other means of ventilation provided between 7 am and 11pm;
- 30dB(A) Leq 8 hour in the bedrooms with windows shut and other means of ventilation provided between 11pm and 7am;
- 35 dB(A) Leq (16 hour) in the living room/s with windows shut and other means of ventilation provided between 7 am and 11pm;
- 40dB(A) Leq (16 hour) in other habitable rooms with windows shut and other means of ventilation provided at all times.
- Noise in external amenity areas shall not exceed 57 dB(A).

No part of the development shall be occupied until such time as a verification report has been submitted to and approved in writing by the Local Planning Authority to confirm that the approved ventilation and acoustic measures have been implemented to achieve the required maximum noise levels. The noise attenuation measures shall be retained as installed thereafter.

Reason: To safeguard the amenities of residents in order to comply with the requirements of Policies G9 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan and the National Planning Policy Framework.

- 14 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), or any equivalent Order following the amendment, re-enactment or revocation thereof, prior to first occupation of the building hereby approved, all windows to the side elevations facing north and south on the development hereby approved shall be fitted with textured glass, which obscuration level is no less than Level 3 of the Pilkington Glass scale (or equivalent), and shall be non-opening below 1.7m from the internal floor level. The windows shall be retained as such thereafter:

Reason: In the interest of amenity and in compliance with Policy DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for

Everyone Joint Development Plan and the National Planning Policy Framework.

- 15 All construction work associated with the development hereby permitted shall only take place between 08:00am and 18:00pm on Mondays to Fridays, between 09:00am and 14:00pm on Saturdays and not on Sundays or Bank or other National Public Holidays.

Reason: In the interests of the amenity of the area and adjoining and nearby residential properties.

Approval Reason(s) (1)

- 1 The Local Planning Authority worked proactively with the applicant to identify various solutions during the application process to ensure that the proposal comprised sustainable development and would improve the economic, social and environmental conditions of the area and would accord with the development plan. These were incorporated into the scheme and/or have been secured by planning condition.

IMPORTANT

PLEASE ENSURE THAT YOU HAVE READ AND FULLY UNDERSTOOD THE CONTENTS OF THIS DECISION NOTICE. YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES.

INFORMATIVE:

The Local Planning Authority's reasons for its decision are set out in the accompanying officer's report.

Your attention is drawn to the following (2)

- | | |
|---|--|
| 1 | Protected species can turn up in unexpected places and the granting of planning permission does not negate the need to abide by the laws which are in place to safeguard biodiversity. An informative should be used so that the applicant is aware that they must seek ecological advice should they find or suspect that the proposals will impact on protected species. |
|---|--|

2	Work that will impact on habitats where nesting birds may be present (for example demolition of buildings), should not be undertaken in the main bird nesting season (March – August) unless suitable checks for active bird nests have been undertaken.
