ASSESSMENT

Design, character and appearance

The application proposes the construction of a single storey wrap around extension, projecting approximately 2.549m from the side elevation of the dwelling and approximately 2.8m from the rear elevation. It is considered that the proposed extension would appear as a subservient and in proportion addition to the existing dwelling.

It is acknowledged that the proposed extension would splay to towards the boundary, increasing in projection slightly at the rear and that this would appear somewhat irregular. This, however, is not considered significantly detrimental to the visual character of the street scene and would not be readily visible or prominent due to the single storey nature of the development.

Furthermore, whilst it is acknowledged that the flat roof of the development would differ from the hipped roof of the existing dwelling and would therefore appear somewhat incongruous, the Local Planning Authority acknowledges that the applicant could construct a similar development with a flat roof under Class A of the GPDO without prior written consent of the Council. The proposed flat roof is therefore considered acceptable on balance having regard to the potential fallback position. The flat roof of the development in any case would alleviate the bulk of the development, and the parapet helps soften the transition between the front elevation and flat roof.

The proposed development is therefore considered to accord with Policies DM1 and P3 of the adopted Rochdale Core Strategy, Policy JP-P1 of the Places for Everyone Joint Development Plan, and the design guidance of both the housing SPD and the NPPF.

Residential amenity

Regard has been had to the relative positions of windows, separation distances, the orientation and height of buildings and boundary treatments. It is considered that the proposal would not have a significant adverse impact on health or quality of life, having particular regard to residential amenity.

It is noted that all habitable rooms within the application property would continue to receive an adequate amount of natural light and that a sufficient garden space would be retained.

Notwithstanding the above, it is acknowledged that should the applicant construct a balcony, terrace, or otherwise use the flat roof of the development as an amenity space, this would be detrimental to the amenity of neighbouring dwellings. It is therefore considered prudent to restrict use of the flat roof by way of condition.

Having regard to the above, and taking into account the provision of the flat roof restriction, it is considered proposed development would have an acceptable impact on the amenity of both the occupiers of the application property and the neighbouring properties, in accordance with CS policy DM1, the SPD, PFE policy JP-P1 and the NPPF.

Highways and parking

The application property would retain two off-street parking spaces, and would have no unacceptable impacts upon highway safety in accordance with CS Policy T2 and CS Appendix 5.

Conclusion

Subject to the conditions set out below and taking into account the provisions of the development plan and all other material planning considerations, it is recommended that planning permission be granted.

PROCEDURAL STATEMENT

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. No significant problems have arisen during the consideration of this application, and the application has been determined in a timely manner, in accordance with the policies with the Development Plan.[AC1]

Human Rights and Public Sector Equality Duty

The provisions of the Human Rights Act 1998 have been taken into account in the processing of the application and the preparation of this report. In particular, Article 6 (1), of the European Convention on Human Rights in relation civil rights and a fair hearing; Article 8 of the ECHR in relation to the right to respect for private and family life and Article 1 Protocol 1 of the ECHR in relation to the protection of property have all been taken into account.

In addition, the Equality Act 2010 provides protection from discrimination in respect of certain protected characteristics namely: age, disability, gender reassignment, pregnancy and maternity, race, religion, or beliefs and sex and sexual orientation. It places the Local Planning Authority under a legal duty to have due regard to the advancement of equality in the exercise of its powers including planning powers. Officers have taken this into account in the assessment of the application. In particular due regard has been afforded to the need to:

- eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Equality Act;
- advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

Officers are satisfied that the application material and Officers' assessment has taken into account these issues.

The application has been considered in accordance with the Rochdale Equity, Diversity and Inclusion policy – Embracing All Voices (2024-2026), which seeks to promote a culture of equity, diversity and inclusion that benefit the community as a whole.

Recommendation: Approve with Conditions

Condition(s) (4)

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

- 2 This permission relates to the following plans and documents: -

- DWG No. 4ID/PL/01 (Proposed Floor Plans and Elevations)
- DWG No. 4ID/LP/01 (Location Plan)
- DWG No. 4ID/SL/01 (Site Plan)

and the development shall be carried out in accordance with these hereby approved.

Reason: For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted

Rochdale Core Strategy, the saved Unitary Development Plan, and the National Planning Policy Framework.

- 3 The materials used in the construction of the exterior of the development hereby permitted shall match those used in the construction of the exterior of the existing building in colour, form, type, size and texture or be those specified on the application form or approved plans.

Reason: In the interests of ensuring a satisfactory visual appearance to the development and in accordance with Policies P3 and DM1 of the adopted Rochdale Core Strategy, Policy JP-P1 of the adopted Places for Everyone Joint Development Plan, and the National Planning Policy Framework.

- 4 The flat roof of the development hereby approved shall not be used as a balcony, terrace, or other amenity area without prior written consent of the Local Planning Authority.

Reason: In the interest of protecting the amenity of neighbouring dwellings, in accordance with Policy DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

Approval Reason(s) (1)

- 1 The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.
