

All dimensions to be checked on site prior to the commencement of works.

Any drains passing under building to be exposed & encased in 150mm conc.

The floor plan shows a building layout with the following rooms and features:

- main hall**: A large central area.
- reception**: A large area at the bottom center.
- lobby**: A small area to the left of the reception.
- office**: Two offices, one above the other, to the right of the main hall.
- kitchen**: A small room above the top office.
- shared escape**: An exit at the top right.
- ladies**: A ladies' restroom to the right of the reception.
- gents**: A gentlemen's restroom below the ladies' restroom.
- dis**: A disabled toilet (WC) located between the reception and the restrooms.
- steps**: A set of stairs on the left side.
- ramp**: A ramp on the left side, adjacent to the steps.

The plan also includes various architectural details such as doors, windows, and furniture like tables and chairs in the reception and restrooms.
