ROCHDALE BOROUGH COUNCIL

Town and Country Planning Act 1990 (as amended)

PLANNING PERMISSION GRANTED

APPLICATION REFERENCE: 19/00289/FUL

Name and address for correspondence:	Applicant name:
Mr Rashid Mehmood I. Planning Services 6B Cook Street BURY BL9 0RP	Dr Muftah Beitelmal

Part I - Particulars of Application

Date of Application: 2 May 2019

Proposal:	**Subdivision of existing single dwelling into two dwellings including two storey rear extension, new window opening on existing rear elevation at first floor, removal of window on side elevation at first floor and alterations to front elevation**
Location:	**123 Durnford Street, Middleton, M24 5TS**

Part II - Particulars of decision

The Rochdale Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended) that planning permission has been **GRANTED SUBJECT TO CONDITIONS** for the carrying out of the development referred to in Part I above.

The Council hereby permits the above development in accordance with the details given on the application form and subject to the following condition(s):

Conditions and Reasons:

1 The development must be begun not later than three years beginning with the date of this permission.

Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

2 This permission relates to the following plans/documents:-

- IPS/R/123/M245TS Existing & Proposed Floor Plans and Elevations incl. Location and Block Plan

and the development shall be carried out in complete accordance with these drawings hereby approved.

Reason: For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted Core Strategy and the National Planning Policy Framework.

3 Notwithstanding any description of materials in the application no above ground construction works shall take place until samples and / or full specifications of materials to be used externally on the buildings have been submitted to and approved in writing by the Local Planning Authority. Such details shall include the type, colour and texture of the materials. Development shall be carried out in accordance with the approved details.

Reason: In order to ensure a satisfactory appearance in the interests of visual amenity in accordance with Policies P2 and P3 of the adopted Rochdale Core Strategy, saved policy BE/17 of the Rochdale Unitary Development Plan and the requirements of the National Planning Policy Framework.

4 No clearance of trees and shrubs in preparation for (or during the course of) development shall take place during the bird nesting season (March - August inclusive) unless an ecological survey has been submitted to and approved in writing by the Local Planning Authority to establish whether the site is utilised for bird nesting. Should the survey reveal the presence of any nesting species, then no development shall take place during the period specified above unless a mitigation strategy has first been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.

Reason: In order to prevent any habitat disturbance to nesting birds in accordance with policy G7 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

5 Notwithstanding the details shown on the approved plans and the requirements of condition 2 of this permission, no part of the development shall be occupied until such time as details of the type, siting, design and materials to be used in the construction of boundaries, screens or retaining walls have been submitted to and approved in writing by the Local Planning Authority and the approved structures have been erected in accordance with the approved details.

Reason: In the interests of amenity and in compliance with Policies P3, P2 and DM1 of the adopted Rochdale Core Strategy, saved policy BE/17 of the Rochdale Unitary Development Plan and the requirements of the National Planning Policy Framework.

6 The proposed new dwelling formed of the sub-division of No. 123 Durnford Street shall not be occupied until such time as the waste/recycling bin store as indicated on drawing ref. IPS/R/123/M245TS, and without prejudice to the requirements of Condition 3 of this permission, has been provided and made available for use.

Reason: To ensure the provision of satisfactory facilities for the storage of refuse and in the interests of visual amenity in accordance with the Supplementary Planning Document 'Guidelines and Standards for Residential Development' (2016), policies DM1, P2 and P3 of the Rochdale Core Strategy and the NPPF.

Procedure Statement:

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.

Date Decision Issued 21 June 2019

MR Rose

.....
Signed on behalf of the Council

IMPORTANT
PLEASE ENSURE THAT YOU HAVE READ AND FULLY UNDERSTOOD THE CONTENTS OF THIS DECISION NOTICE. YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES.

INFORMATIVE:
The Local Planning Authority's reasons for its decision are set out in the accompanying officer's report.

INFORMATIVE:
The applicant is reminded of the need to submit and obtain formal approval of those details required by the conditions of this planning permission before development may lawfully commence on the site. The formal discharge of a planning condition is currently subject to payment of an additional fee per request: £34.00 for householder applications and £116.00 in all other cases.

INFORMATIVE:
The proposed development lies within an area that has been defined by The Coal Authority as containing potential hazards arising from coal mining. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological fissures; mine gas and previous surface mining sites. Although such hazards are often not readily visible, they can often be present and problems can occur as a result of development taking place, or can occur at some time in the future.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required, be submitted alongside any subsequent application for Building Regulations approval.

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain Coal Authority permission for such activities is trespass, with the potential for court action.

Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com.

INFORMATIVE:
The applicant is advised that the supply and delivery of refuse containers (including all wheelie bins and food waste caddies) for residential developments is chargeable and the responsibility for these charges rests with the applicant/developer. The cost is based on a variable rate per property depending on the property size and number of bedrooms but as an indication, the present charge for a suite of three 240l recycling bins and one 240l refuse bin is £144 per residence. Please contact environmental.management@rochdale.gov.uk for a quotation for your development.
