Dear Sir/Madam,

DETERMINATION ON APPROVAL OF DETAILS REQUIRED BY A CONDITION

Application No:	23/00840/DOC
Application Type:	Approval of detail reserved by condition
Proposal:	Submission of details to comply with condition 10 (contamination) on planning permission 20/00724/FUL
Location:	Land Between 3 & 5 Innings Way , Rochdale , OL11 3DE

Your application for approval of details reserved by condition(s) has been dealt with and the details are set out below:-

Conditions and Reasons:

- 10 No development shall take place until an investigation and risk assessment (in addition to any assessment provided with the planning application) has been submitted to and approved in writing by the Local Planning Authority. The assessment shall investigate the nature and extent of any contamination on the site (whether or not it originates on the site). The assessment shall be undertaken by competent persons and a written report of the findings submitted to and approved in writing by the Local Planning Authority before any development takes place. The submitted report shall include:

- i) a survey of the extent, scale and nature of contamination
- ii) an assessment of the potential risks to:
 - human health,
 - property (existing or proposed) including buildings, crops, livestock, pets, woodland, and service lines and pipes,
 - adjoining land,
 - groundwaters and surface waters,
 - ecological systems,
 - archaeological sites and ancient monuments;
- iii) where unacceptable risks are identified, an appraisal of remedial options and proposal of the preferred option(s) to form a remediation strategy for the site.

The development shall thereafter be carried out in full accordance with the duly approved remediation strategy and a verification report submitted to and approved in writing by the Local Planning Authority before any of the building(s) hereby approved are first occupied.

Reason: To prevent pollution of the water environment and to ensure the safe development of the site in the interests of the amenity of future occupiers in accordance with Core Strategy policies G9, G8, P2 and EM/8, and the National Planning Policy Framework.

Officer Response: The details submitted in 'Remediate Strategy' and 'Preliminary Summary Letter- Geo – Environmental Site Assessment' are acceptable **Condition 10 is partially approved.**

A completion statement is required and following completion of measures identified a verification report is still required for the condition to be fully approved.

Yours faithfully,

Daniela Ripa
Interim Head of Planning Services
