

Town and Country Planning Act 1990 (as amended)

PLANNING PERMISSION GRANTED

APPLICATION REFERENCE: 23/00660/HOUS

Name and address for correspondence:	Applicant name:
Mr Mark Bradbury TTK Structural Limited 99 Manor Road Shaw Oldham Greater Manchester OL2 7JG	Mr Alec Betham

Part I - Particulars of Application

Date of Application: 5 July 2023

Proposal:	Erection of detached annexe to rear garden and new hardstanding to front elevation to provide additional car parking space
Location:	31 Stopford Avenue, Littleborough, Rochdale, OL15 8QH

Part II - Particulars of decision

The Rochdale Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended) that planning permission has been **GRANTED SUBJECT TO CONDITIONS** for the carrying out of the development referred to in Part I above.

The Council hereby permits the above development in accordance with the details given on the application form and subject to the following condition(s):

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.

Reason. Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The permission relates to the following plans:

- o Location Plan - Drawing No. LP001 dated 05/2023
- o Existing Site Plan - Drawing No. BPE001 Rev. A dated 05/2023
- o Proposed Site Plan - Drawing No. BPP001 Rev. A dated 05/2023
- o Proposed Floor Plans and Elevations - Drawing No. PPE001 Rev. A dated 06/2023

and the development shall be carried out in accordance with these drawings hereby approved.

Reason: For the avoidance of doubt, and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted Rochdale Core Strategy and the National Planning Policy Framework.

- 3 Notwithstanding any description of materials in the application no above ground construction works shall take place until samples and / or full specification of materials to be used externally on the building(s) have been submitted to and approved in writing by the Local Planning Authority. Such details shall include the type, colour and texture of the materials. Development shall be carried out in accordance with the approved details.

Reason: In order to ensure a satisfactory appearance in the interests of visual amenity in accordance with policy DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

- 4 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any equivalent Order following the amendment, re-enactment or revocation thereof) prior to first occupation of the annexe hereby permitted the bathroom windows on the south-east facing rear elevation shall be fitted with, to a height of no less than 1.7m above finished floor level, non-opening lights and textured glass which obscuration level is no less than Level 3 of the Pilkington Glass scale (or equivalent) and retained as such thereafter.

Reason: In the interest of amenity and in compliance with policy DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

- 5 Within the next planting season after the felling of the tree hereby approved, one replacement tree shall be planted within the curtilage of no. 31 Stopford Avenue and shall be a native species which is of a similar size at maturity. If the replacement tree is removed, dies, become severely damaged or seriously diseased within three years of planting, it shall be replaced by a tree of similar size and species within the first planting season following removal of that tree.

Reason: To mitigate for the loss of the existing tree and to protect the visual amenity of the area.

Procedure Statement:

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.

Date Decision Issued 5 September 2023

Daniela Ripa
Interim Head of Planning Services

IMPORTANT

PLEASE ENSURE THAT YOU HAVE READ AND FULLY UNDERSTOOD THE CONTENTS OF THIS DECISION NOTICE. YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES.

INFORMATIVE:

The Local Planning Authority's reasons for its decision are set out in the accompanying officer's report.

INFORMATIVE:

The applicant is reminded of the need to submit and obtain formal approval of those details required by the conditions of this planning permission before development may lawfully commence on the site. The formal discharge of a planning condition is currently subject to payment of an additional fee per request: £34.00 for householder applications and £116.00 in all other cases.

INFORMATIVE:

This decision does not imply consent to carry out any work which may encroach over a common boundary. Such work may include excavation, positioning of walls, fences or other construction such as roofs or gutters which overhang the boundary line. The applicant is therefore advised to obtain the consent of any landowner prior to the commencement of such work. The applicant's attention is also drawn to the provisions of the Party Wall Act 1996, which sets out the rights and responsibilities of adjoining landowners in respect of the construction or alterations of any party walls, excavations and other construction works adjacent to the boundary line. Before proceeding with the development professional advice on the provision of the Act should be sought.

INFORMATIVE:

Bats can be mobile and cryptic in their habits, and can turn up in unexpected places. Under the Wildlife and Countryside Act 1981 it is an offence to capture, injure or kill a bat, deliberately disturb a bat, or damage or destroy a bat roost. Planning consent does not provide a defence against prosecution under this act. If bats are encountered at any time during works, work must cease and advice sought from a suitably qualified person about how best to proceed.

INFORMATIVE:

The proposed development lies within an area that has been defined by The Coal Authority as containing potential hazards arising from coal mining. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological fissures; mine gas and previous surface mining sites. Although such hazards are often not readily visible, they can often be present and problems can occur as a result of development taking place, or can occur at some time in the future.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required, be submitted alongside any subsequent application for Building Regulations approval.

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain Coal Authority permission for such activities is trespass, with the potential for court action.

Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com.
