

Town and Country Planning Act 1990 (as amended)

PLANNING PERMISSION GRANTED

APPLICATION REFERENCE: 23/01036/FUL

Name and address for correspondence:	Applicant name:
Mr DAVID HUGHES Rochdale Borough Council Property Services Riverside 1 Second Floor Rochdale Lancashire OL16 1XU	Mr David Hughes Rochdale Borough Council

Part I - Particulars of Application

Date of 16 November 2023
Application:

Proposal:	Installation of 11 x 8m lighting columns 308w LED around the perimeter, 8 columns around carpark, 1 overlooking carpark 6 and 2 overlooking carpark 2
Location:	Rochdale MBC Operational Depot , Green Lane, Heywood, Rochdale, OL10 2DY

Part II - Particulars of decision

The Rochdale Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended) that planning permission has been **GRANTED SUBJECT TO CONDITIONS** for the carrying out of the development referred to in Part I above.

The Council hereby permits the above development in accordance with the details given on the application form and subject to the following condition(s):

Conditions and Reasons:

- 1 The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason: To comply with the requirements of section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 This permission relates to the following plans:

Hardstanding Details - PLAN/001
Layout Plan Proposed External Lighting - A1/2005005/E02 - REV D

The development shall be carried out in accordance with these plans unless otherwise required by the conditions below.

Reason: For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted Rochdale Core Strategy, the saved Rochdale Unitary Development Plan and the National Planning Policy Framework.

- 3 The development hereby approved shall only have the lights on inside the hours of 0630-1800 Monday to Friday, 0900-1200 Saturdays, and the lights shall not be used on Sundays and Bank Holidays.

Reason: To protect the amenity of nearby occupants and to accord with policies and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

- 4 The lights and associated columns that are being replaced by the proposed development should be removed prior to the installation of the new approved lighting columns.

Reason: To protect the amenity of nearby occupants and to accord with policies and DM1 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

Procedure Statement:

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.

Date Decision Issued 19 March 2024

Melanie Hale
Head of Planning Services

IMPORTANT

PLEASE ENSURE THAT YOU HAVE READ AND FULLY UNDERSTOOD THE CONTENTS OF THIS DECISION NOTICE. YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES.

INFORMATIVE:

The Local Planning Authority's reasons for its decision are set out in the accompanying officer's report.

INFORMATIVE:

The applicant is reminded of the need to submit and obtain formal approval of those details required by the conditions of this planning permission before development may lawfully commence on the site. The formal discharge of a planning condition is currently subject to payment of an additional fee per request: £34.00 for householder applications and £116.00 in all other cases.

INFORMATIVE:

The proposed development lies within an area that has been defined by The Coal Authority as containing potential hazards arising from coal mining. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological fissures; mine gas and previous surface mining sites. Although such hazards are often not readily visible, they can often be present and problems can occur as a result of development taking place, or can occur at some time in the future.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required, be submitted alongside any subsequent application for Building Regulations approval.

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain Coal Authority permission for such activities is trespass, with the potential for court action.

Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com.

INFORMATIVE:

The applicant is advised that the supply and delivery of refuse containers (including all wheelie bins and food waste caddies) for residential developments is chargeable and the responsibility for these charges rests with the applicant/developer. The cost is based on a variable rate per property depending on the property size and number of bedrooms but as an indication, the present charge for a suite of three 240l recycling bins and one 240l refuse bin is £144 per residence. Please contact environmental.management@rochdale.gov.uk for a quotation for your development.
