This Authority hereby certifies that on 12 May 2025, the use described in the First Schedule to this Certificate in respect of the land specified in the Second Schedule and edged in red on the plan attached to this certificate **would be LAWFUL** within the meaning of Section 192 of the Town and Country Planning Act 1990 (as amended) for the following reason(s):

Reasons:

- 1 The proposed use of the building for up to three children and two carers on a shift basis would be a change of use from C3 to C2 however the change is not considered to be material, and therefore does not comprise development within the meaning set out within section 55 of the Town and Country Planning Act (1990) and would not require planning permission.

- 2. It certifies that the use specified in the First Schedule to take place on the land described in the Second Schedule would be lawful on the specified date and, therefore, would not be liable to enforcement action under Part 7 on the 1990 Act on that date.**

The effect of the certificate is also qualified by the proviso in Section 192(4) of the 1990 Act, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations are begun, in any of the matters relevant to determining such lawfulness.**
