Notes

- 1. This certificate is issued solely for the purpose of Section 192 of the Town and Country Planning Act 1990**
- 2. It certifies that the operations specified in the First Schedule to take place on the land described in the Second Schedule would be lawful on the specified date and, therefore, would not be liable to enforcement action under Part 7 on the 1990 Act on that date.**
- 3. This certificate applies only to the extent of the operations described in the First Schedule and to the land specified in the Second Schedule and identified on the attached plan. Any operations which are materially different from that/those* described or which relate to other land may render the owner or occupier liable to enforcement action.**
- 4. The effect of the certificate is also qualified by the proviso in Section 192(4) of the 1990 Act, which states that the lawfulness of a described use or operation is only conclusively presumed where there has been no material change, before the use is instituted or the operations are begun, in any of the matters relevant to determining such lawfulness.**

Informative

It is possible that the site was previously occupied by industrial premises, therefore, work should be carried out in accordance with Health and Safety Guidance Note HSG 66 "Protection of Workers and the General Public During the Development of Contaminated Land" and should operatives discover any adverse ground conditions during earthworks and suspect it to be contaminated they must inform Environmental Health
